PROFESSIONAL SUMMARY

Computer Science undergraduate (B.Tech CSE, 2nd year) with hands-on experience in Python through an AICTE-collaborated industry internship. Built a complete salon management web application covering appointments, customers, services and GST billing. Familiar with Linux fundamentals and eager to apply programming and problem-solving skills in a software development role.

EDUCATION

B.Tech in Computer Science & Engineering Currently in 2nd Year

Asha M. Tarsadia Institute of Computer Science and Engineering, Uka Tarsadia University, Bardoli

CGPA: Semester 1 – 9.00 | Semester 2 – 9.67

- **Higher Secondary (Class XII):** 71%
- **Secondary (Class X):** 82%

INTERNSHIP EXPERIENCE

Python Intern – upSkill Campus & UniConverge Technologies (with AICTE) 24 Aug 2026 – 16 Oct 2026

- Completed an 8-week internship program with hands-on training and real industry project work in the domain of Python.
- Applied Python programming concepts to practical, industry-oriented project tasks.
- Earned a Certificate of Completion (Certificate ID: USC130497TIA).

PROJECTS

Sai Beauty Salon Manager HTML, CSS, JavaScript

- Developed a responsive web application for managing day-to-day salon operations, usable on both phones and desktops.
- Built an appointment scheduler with day-wise view and status tracking (booked, completed, no-show, cancelled).
- Created customer records with notes for allergies and preferences, plus input validation for 10-digit mobile numbers.
- Implemented a services catalogue with categories, prices and durations that feeds into booking and billing.
- Designed a billing module that generates invoices with configurable GST, and a dashboard showing revenue with a 7-day bar chart.
- Added data persistence, WhatsApp sharing support and light/dark theme support.

TECHNICAL SKILLS

- **Programming Languages:** Python, JavaScript
- **Web Technologies:** HTML5, CSS3, Responsive Design
- **Operating Systems:** Linux (fundamentals)
- **Tools:** Git, GitHub

CERTIFICATIONS & TRAINING

- **Python Internship – Certificate of Completion**, upSkill Campus & UniConverge Technologies, in collaboration with AICTE (Aug – Oct 2026)
- **Red Hat Training: Getting Started with Linux Fundamentals (RH104)**, Red Hat, 16 credit hours (September 2026)
